Speaker Turzai: A Climate Denier Has No Place Chairing the Environment Committee

To: Mike Turzai (PA-28)

We, the undersigned, call on you to remove Representative Daryl Metcalfe from his seat as chair of the Environmental Resources and Energy Committee and from any seat on that committee. We have little time left to address the climate crisis. Representative Metcalfe’s record of unabashed climate denial, obstructionism, and unprofessional behavior makes him a wholly inappropriate person to chair or even serve on the committee that should be leading the efforts in the House to address the most important issue of our time.
